Personal Note: I can't say for sure if this is the correct Caroline Herbert, because of the place of death. But...it is the only Caroline Herbert that is listed in the England Death Index and the fact that this Caroline was born in 1802, which is what the 1851 Census has her birth year as, tends to make me think that it is her. She may have been hospitalized or was killed in London and didn't actually live there. As the US, the death indexes have the county of death, not the actual county where the person lived. From the England Census records of 1881 and later, we know Ebenezer was born 24 Jan 1846 in the town of Ventnor, Isle of Wight. He married Mary A. Flux and had two sons. His address is shown as # 6 Oyster St. at John Pounds Coffee House of which he was the manager. The town is confusing but may have been Portsmouth which is the nearest town on the mainland of England.

The next records we found on Ebenezer were the 1900 U.S. Census showing him living in Hammond, Tangipahoa Parish, Louisiana. Then on 26 May 1920, Ebenezer was issued a passport to return to England to visit relatives. We have a copy of that passport containing a picture of him.

We know that Donald Herbert, Sr. was born in Durand, MI and his family later moved to Hammond, LA. The 1920 census shows he was an "agent at radio company".
Family legend says he worked for a furniture company and that his future wife, Dolly Brooks worked as a clerk at a lumber yard. We can speculate that they met there. An undated newspaper article reported that Mr. Herbert was one of the youngest embal-mers in Louisiana and had made the highest grade of 99 on his examination. In about 1930 he went to work for Baldwin Funeral Home in Jackson, MS and worked there until about 1937 when he began selling clay pipe and the family moved briefly to Memphis, TN before he returned to Jackson and Baldwin until about 1939. He was then offered work with Lum Funeral Home in Vicksburg, MS and later bought an interest in Glenwood Funeral Home there. Soon after WWII ended the family moved to Mobile, AL where he worked for Faulkner Concrete Pipe Co. and traveled extensively, He was transferred to Meridian, MS by Faulkner in about 1947 and then back to Mobile in about 1948 or 1949. Mobile remains the family home until the present time and both Dolly and Donald are buried at Mobile Memorial Gardens. (ABH)

Notes for ADELE MARIE "DOLLY" BROOKS:
Adele Marie "Dolly" Herbert was a devoted wife, mother, grandmother & great grandmother to her family. She lived a full life and died just one month short of her 103rd birthday. She moved with her husband and children to

many cities and made homes for them in good time and bad. Some of her favorite homes were in Jackson, Meridian and Mobile where she raised her family. During and immediately after WWII, her husband traveled in a company car and she was frequently without a car from Monday until he returned home on Friday and stayed for the weekend, a difficult way for a housewife to live and raise her family.

Both Dolly and Donald were avid golfers and were long time members of Skyline Country Club on U.S.Highway 90 in Mobile. They are both buried in Mobile Memorial Gardens, Mobile, AL.

Don Herbert, Jr. married Ann Boyd on 3 Jun 1951. They had dated in high school and married when he was called up with the National Guard during the Korean War. His military service in both the National Guard and the Army brought out his natural leadership qualities and he retired after 25 years as a Lt. Col. His civilian occupation was with the Mississippi Power Co. in the Engineering Dept. and he retired from that after 36 years service. Don and Ann are both avid golfers and were charter members of Briarwood Country Club where Don served four terms as President of the club.
Don & Ann have one son and one grandson both of whom we are very proud. (ABH)

Notes for ELIZABETH ANN BOYD:
I have long been a history fan and genealogy fits right in with history. I first tried to do a history of the Boyd family in 1965 when I wrote to all of my father's family asking them to send me birth dates & places and death dates and comments. While Dad was alive, his brother and sisters had almost annual family reunions in one hometown or the other so I still have some pictures of the people who attended. I have included some of those in

the exhibits so those of you who never knew Dad's family can get a look at them for the first time. I have included other pictures to help us get to know each other. Thanks to all of you for your contributions.

I too was an avid golfer and played in many area tournaments. I am proud of having served as Vice President and Tournament Chairman of the Mississippi Women's Golf Association in 1983.

I had a lot of semi-pro help with the census records that went into telling the stories of all our families. Becky Roberts Thank You !!
